CASTRO ROOFING
EMPOWERING BUILDING OWNERS

Everyone has those NIGHTMARE roof leaks that won't go away ...

The Castro Roofing "Permanent-Leak Repair Process" guarantees that the leaks go away forever, or you get your money back.

Dear Victim,

The Hitcher is voted as one of the TOP 10 most popular horror movies of all time.

Whether you enjoy horror movies or not, we hope that you enjoy our marketing spoof (not a copyright infringement) movie poster, "*The Roofer*".

At Castro Roofing we know that every company has those nightmare leaks that won't go away. No matter how many times you call and beg a roofer to come out to fix it.

The Leak Somehow Never Get's Fixed. We Call Them *Nightmare Leaks*.

Just like the bad guys in the horror movies never go away, and you can't seem to get rid of them, they always return when you least expect it.

These leaks are pretty much the same way. The difference is that these nightmare leaks are NOT entertaining and they cost you a lot of money and frustration.

The Castro Roofing **Permanent-Leak Repair Promise**. We will fix your nightmare leak permanently... or, you get your money back. It's that simple!

At Castro Roofing, we are the best in the industry at what we do. We don't feel that clients should pay for repairs that don't STAY REPAIRED.

This horror movie poster spoof is just our unique way of letting you know that we understand, we care and that we can help. We guarantee it!

Enjoy,

Wow Experience Team
